

Threshers Announce 2019 Broadcast Schedule

Phillies' affiliate to cover all 140 games for the upcoming season

CLEARWATER, Fla. (March 13, 2019) – The Clearwater Threshers announced their 2019 broadcast schedule on Wednesday afternoon, and for the first time, the club will cover all 140 games throughout the Florida State League regular season.

“We’re excited to have every game this available this season,” Threshers General Manager Jason Adams said. “We wanted to keep our great fanbase engaged with every outing at Spectrum Field and throughout 2019 schedule.”

Thaddeus Krzus will take over behind the mic as the new voice of the Threshers, replacing 2018 Florida State League Broadcaster of the Year, Kirsten Karbach. Krzus spent the previous two seasons with the Florida Fire Frogs, and returns to Clearwater after spending the 2014 season as a broadcasting assistant.

“We’re thrilled to welcome Thaddeus back to our team,” Adams stated. “He brings a wealth of knowledge about the league, and experience that includes his time with us in 2014.”

Fans can listen to the broadcasts using the TuneIn radio app on computers and smart devices, and through threshersbaseball.com by clicking the “Listen Live” link.
